Fulfilling Dreams Through Smarter Real Estate Investing

By providing [investment property](#) and investor to investor [education](#) across several strategies and asset classes, 37th Parallel Properties is a one-stop shop for cash flow real estate investing.

Whether you are brand new to real estate investing and want to learn the fundamentals or you have a current portfolio and are looking to take your investments to the next level, 37th Parallel Properties can help.

Some of our investors made their **very first** investment with us. Others have multi-million dollar portfolios that are managed across different geographies and asset classes. While the range of experience among our clients is broad, the overall goal is the same... to develop permanent wealth through cash flow real estate investing.

Our goal is to understand your goals and help you achieve them

There are no guarantees and all investments involve risk. However, by partnering with a successful team of active investors and mentors with tried and proven programs, you significantly improve your chances for success.

Each client is different and we take a personalized approach for each investor. Review our process and our programs. They were tailored to meet the individual investor's real estate investing needs.

We have a track record of success and our clients can attest to our results. We look forward to hearing from you.
